All agreements and disclosures shall be construed in accordance with the provisions of the California Uniform Commercial Code (U.C.C.). Share accounts, share draft accounts and share certificate accounts are subject to the requirements below and such other terms and conditions as established by the Board of Directors and as contained in the account agreements.

INFORMATION REGARDING MEMBER IDENTIFICATION

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for our Members: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying objects.

GENERAL INFORMATION ABOUT ALL OF OUR ACCOUNTS

PAR VALUE OF SHARES

The par value of a share in the Central Valley Firefighters Credit Union is \$5.

ACCRUAL OF DIVIDENDS

Dividends begin to accrue on the business day you deposit cash or non-cash items (e.g., checks) to your account if deposited before the close of business. If you close your share, share draft, or share certificate account before dividends are credited, you will not receive accrued dividends.

DIVIDEND RATES

The initial dividend rate and Annual Percentage Yield on our share, share draft, and share certificate accounts are stated on the Rate Schedule accompanying this Disclosure. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

BALANCE INFORMATION

We compute the balance in your share, share draft, and share certificate accounts to determine the dividends you will be paid by using the average daily balance method which applies a periodic rate to the average daily balance in the account for the month. We calculate the average daily balance by adding the balance in the account for each day of the month and dividing that figure by the number of days in the month.

BYLAW REQUIREMENTS

Every applicant for membership shall purchase five full shares in the credit union (or one full share for members less than 18 years of age). Any member who ceases to be the holder of at least five full shares, and the share or loan account of such member remains inactive for a period of three consecutive months, shall cease to be a member and shall no longer be entitled to any of the rights and privileges of a member.

The maximum amount of shares which may be held by any one member shall be established from time to time by resolution of the board. Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. The Credit Union reserves the right, at any time, to require members to give, in writing, not less than 7 days' and not more than 60 days' notice of intention to withdraw the whole or any part of the amounts so paid in by them.

No member may withdraw shareholdings that are pledged as required security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written approval of the credit committee or loan officer.

REQUIREMENT TO MAINTAIN A REGULAR SHARE ACCOUNT

You must open a Regular Share Account to open any subsequent accounts. For individual accounts, you must deposit and maintain \$25 in the account. For joint accounts, you must deposit and maintain \$50. You must maintain the Regular Share Account to avoid closure of that account and any subsequent accounts.

ELECTRONIC FUND TRANSFERS DISCLOSURE AND AGREEMENT

This EFT Disclosure and Agreement as amended from time to time ("Agreement") sets forth the terms and conditions governing the use of the Central Valley Firefighters Credit Union electronic transfer services. Disclosure information that applies to all electronic services offered Central Valley Firefighters Credit Union is given below, followed by specific disclosure information for each service. Credit Union may also provide remittance transfers (defined by Regulation E, subpart B, as an "electronic transfer of funds of more than \$15 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider"). The terms and conditions for such electronic transfers will be disclosed to you separately when you receive those services, and may differ from the terms and conditions disclosed herein. As applicable and to the extent not in conflict with such separately provided disclosures, the terms and conditions herein shall apply to remittance transfers that also meet the definition of an "electronic fund transfer" under Regulation E, subpart A. This Agreement takes the place of all prior agreements and disclosures governing the use of all electronic services. By retaining, using, or allowing others to use the electronic services offered by Central Valley Firefighters Credit Union, you are agreeing to be bound by the terms and conditions of this Agreement. In this Agreement, the term "you" and "your(s)" refer to the member, and the terms "we," "us" and "our(s)" refer to Central Valley Firefighters Credit Union.

PERSONAL IDENTIFICATION NUMBER

The Credit Union will issue you a Personal Identification Number (PIN) that must be used with the ATM/Debit Card for transactions that require the use of a PIN. This number should be memorized. DO NOT write it on your ATM/Debit Card, or where it is easily accessible to others. After memorizing your PIN, you should destroy the notice disclosing your PIN in a secure manner. If you forget, misplace or otherwise disclose your PIN, contact the Credit Union and we will issue you a new one.

RIGHT TO RECEIVE DOCUMENTATION OF TRANSACTIONS

You will get a monthly account statement reflecting all of your transactions unless there is no activity in a particular month. In any case you will get the statement at least quarterly. Depending on the terminal, or if the transaction is \$15 or less, you may receive a receipt at the time you make a transaction at a terminal. If you do receive a receipt, retain the receipt to compare with your monthly statement from the Credit Union.

YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING AUTOMATED TELLER MACHINE (ATM) CARDS

Tell us AT ONCE if you believe your ATM/POS Card and/or Personal Identification Number (PIN) has been lost or stolen, or if you believe that an electronic transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within two (2) business days, you can lose no more than \$50 if someone used your ATM/POS Card or PIN without your permission. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your ATM/POS Card or PIN, and we can prove that we could have stopped someone from using your ATM/POS Card or PIN without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you have authorized someone else to use the ATM/POS Card and/or PIN, you are responsible for all transactions that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized.

YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARDS

Tell us AT ONCE if you believe your Debit Card and/or Personal Identification Number (PIN) has been lost or stolen or if your statement shows an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within 60 days of our sending your statement, you can lose no more than \$50 if someone used your Debit Card without your permission. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the close of the 60 days and before notice to us. If your delay in notifying us was due to extenuating circumstances beyond your reasonable control, including extended travel, your or a member of your family's death or serious illness, hospitalization, permanent mental impairment or serious physical impairment, unless the circumstance did not reasonably contribute to your delay in notifying us within the 60 day period, we will extend the 60 day period by a reasonable period.

SPECIAL NOTICE TO VISA® DEBIT CARDHOLDERS

If there is an unauthorized use of your Visa Debit Card or a Plus network or Interlink transaction, and the transaction takes place on the Visa network, then your liability will be zero (\$0.00). This provision limiting your liability does not apply to Visa Corporate Card Transactions, Visa Purchasing Card Transactions, Anonymous Visa Prepaid Card Transactions, ATM cash disbursements processed on non-Visa or non-Plus networks, or non-Visa PIN-less debit transactions. Additionally, your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law, if the credit union reasonably determines, based on substantial evidence, that you were negligent or fraudulent in the handling of your account or Card. In any case, to minimize your potential liability you should notify us of any unauthorized use no later than 60 days after your statement was mailed to you.

BUSINESS DAYS

Our business days are Monday through Friday, excluding holidays.

OUR LIABILITY FOR FAILURE TO MAKE TRANSFERS

If we do not complete a transaction to or from your share or share draft/checking account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable, for instance, if:

- a) through no fault of ours, you do not have enough money in your account (your available balance) to make the transaction;
- b) the transaction would go over the credit limit on your credit line;
- c) the terminal where you were making the transaction did not have enough cash;
- d) the ATM or network system was not working properly and you were aware of the malfunction when you started the transaction;
- e) circumstances beyond our control (such as fire, flood, power failure, or computer down-time) prevented the transaction, despite reasonable precautions that we have taken;
- f) the money in your account is subject to an uncollected funds hold, legal process or any other encumbrance or agreement restricting a transaction;
- g) your ATM/POS Card has expired, is damaged so that the terminal cannot read the encoding strip, is inactive or because your PIN has been entered incorrectly;
- h) your ATM/POS Card or PIN has been reported lost or stolen and we have blocked the account; or
- i) the failure to complete the transaction is done to protect the integrity of the system or to protect the security of your account.

There may be other exceptions not specifically mentioned above.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us at (559) 228-1997 or write to us at 5300 North Fresno Street, Fresno, CA 93710 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. (If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within 5 business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within 10 business days.) If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

Various institutions which participate in networks of which the Credit Union is a member may have withdrawal limits different from the amount set forth herein. In the event that a specific ATM is so limited, you may not be able to withdraw more than the cash limit of that particular ATM.

ATM SAFETY

An ATM provides a quick and convenient way to access your money. However, use caution and remember the following safety tips whenever you use an ATM:

- Be aware of the surroundings, particularly at night.
- Look for well-lighted ATM’s when transacting at night.
- If you notice anything suspicious when approaching the ATM, return later or use another ATM.
- Have your transaction ready before you go to the ATM. When you can, fill out any deposit or withdrawal slips/envelopes before leaving your vehicle.
- Have your ATM Card ready, to avoid going through your purse or searching through the contents of your wallet at the ATM site.
- If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your ATM/Debit Card away and leave.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.
- Stand close to the ATM and away from others in line to avoid detection of your PIN or other account information.
- Put your cash away as soon as the transaction is complete; count the cash later in the safety of your vehicle or home.
- Never give information to strangers at the ATM or to anyone over the phone. Be aware of fraud or people who pose as Credit Union employees who try to get information from you. This information should only be discussed in person by you at the Credit Union.
- Remember to keep your PIN a secret. Make sure not to write it on your ATM/Debit Card or anywhere else in your wallet; thieves can easily figure out the reason for “hidden” or “secret” numbers.

➔ ***Additional Disclosures Applicable to Visa® Debit Card Services***

ISSUANCE OF CARD

“Card” means the Central Valley Firefighters Credit Union Visa Debit Card and any duplicates, renewals or substitutions the Credit Union issue to you; “Account” means the account designated on the application for your Debit Card.

RESPONSIBILITY FOR TRANSACTIONS

You are responsible for all transactions you make with the Card or that you authorize another person to make with the Card. You understand that if you disclose your Debit Card PIN to anyone, they will have access to all accounts identified by your account number. If the Account is a joint account, all transactions involving the account are binding on all Account holders.

MERCHANT DISPUTES

For POS transactions directly accessing a line of credit, the credit union is not responsible for the refusal of any merchant or financial institution to honor the card. The credit union is subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card if you have made a good faith attempt but have been unable to obtain satisfaction from the merchant or service provider and (a) your purchase was made in response to an advertisement the credit union sent or participated in sending to you or (b) your purchase cost more than \$50 and was made in your state or within 100 miles of your home.

LIMITATIONS ON DOLLAR AMOUNTS AND FREQUENCY OF TRANSACTIONS

Purchases made above the floor limit of the merchant will require an authorization number from Visa.

USE OF THE CARD

You may use the Card and PIN to:

- Withdraw cash from your share draft/checking account at ATMs, merchants, or financial institutions that accept Visa Debit Cards; and
- Make deposits to your share draft/checking account at the Credit Union.

You may use the Card without the PIN to:

- Purchase goods or services at places that accept Visa Debit Cards (these are point-of-sale or POS transactions);
- Order goods or services by mail, telephone or online from places that accept Visa Debit Cards;
- Make payments for goods or services from your share draft/checking account at places that accept Visa Debit Cards and
- Make automatic payments from your Account to pay bills or other charges, providing that the person or organization that you are paying agrees to accept payments this way.
- Order goods or services without a PIN by mail, online, or telephone at merchants who offer the payment transactions processed through the STAR, PULSE, CO-OP, ACCEL/Exchange or any other Debit Card network;

Some of these services may not be available at all terminals.

Use of the Card, the Account number on the Card, the PIN or any combination of the three for payments, purchases, or to obtain cash from merchants, financial institutions or others who honor Visa Debit Cards is an order by you for the withdrawal of the amount of the Transaction from your Account. Each Transaction with the Card will be charged to your Account on the date the Transaction is posted to your Account. When the Credit Union receives notification of a Debit Card transaction, it will put a hold on an equivalent amount of funds in your share draft/checking account for 3 days or until the day the transaction is charged to your account.

All Card transactions covered by this Agreement are subject to the terms and conditions of your Account agreements with us governing the affected Accounts, except as modified by this Agreement. Any future changes to your Account agreements may affect the use of the card.

ILLEGAL USE OF VISA DEBIT CARD

You agree that your Visa Debit Card Account will not be used to make or facilitate any transaction(s) that are or might be construed to be illegal pursuant to applicable law, rule or ordinance, including but not limited to gambling. Said use, including any such authorized use, will constitute an event of default under this Agreement. You agree that the Credit Union has no liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s). You agree that you are responsible for repayment of any and all debts incurred for these transactions. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

OVERDRAFTS

You promise to pay the Credit Union immediately upon demand for any negative (overdraft) balance arising in your Account, unless you have available overdraft privileges. If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your Account from any other account you have with the Credit Union, except an Individual Retirement Account.

HONOR CARD

The Credit Union is not liable for the refusal or inability of any electronic terminal to honor the Card or to complete a withdrawal from your Account, or for their retention of the Card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the Card or for their retention of the Card.

FOREIGN TRANSACTIONS

Foreign Transactions in Foreign Currency- Purchases and cash advances made in foreign currencies will be billed to you in U.S dollars. Transactions processed outside of the United States, or in a foreign currency may be charged a foreign transaction fee, regardless of whether there is a currency conversion associated with the transaction. The conversion rate in dollars will be a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable Central Processing Date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable Central Processing Date in each instance, plus a one percentage point (1%) fee charged by the Issuer.

Foreign Transactions in U.S. Currency- Purchases and cash advances made in foreign countries will be billed to you in U.S dollars. REGULATIONS RELATING TO FUND (WIRE) TRANSFERS

APPLICABLE LAW

This agreement and notice applies to funds transfers as defined in the Article 4A of the Uniform Commercial Code and Subpart B of Regulation J of the Board of Governors of the Federal Reserve System.

FUNDS TRANSFER CUT-OFF TIME

The Credit Union may establish or change cut-off times for the receipt and processing of funds transfer requests, amendments, or cancellations. Unless other times are posted for the various types of funds transfers, the cut-off time will be at 12:30 p.m. on each weekday that the Credit Union is open excluding holidays. Payment orders, cancellations, or amendments received after the applicable cut-off time may be treated as having been received on the next funds transfer business day and processed accordingly.

SERVICE CHARGES/FEES

The Credit Union may charge your account for the amount of any funds transfer initiated by you or by any person authorized by you as a joint tenant or other authorized party with the right of access to the account from which the funds transfer is to be made. Please refer to our Schedule of Fees and Charges for current fees.

SECURITY PROCEDURES

The Credit Union may establish, from time to time, security procedures to verify the authenticity of a payment order. You will be notified of the security procedure, if any, to be used to verify payment orders issued by you or for which your account will be liable. You agree that the authenticity of payment orders may be verified using that security procedure unless you notify the Credit Union in writing that you do not agree to that security procedure. In that event, the Credit Union shall have no obligation to accept any payment order from you or other authorized parties on the account until you and the Credit Union agree, in writing, on an alternate security procedure.

USE OF FEDWIRES

If you send or receive a wire transfer, Fedwire may be used. Regulation J will govern Fedwire transactions, except to the extent of a conflict between Regulation E and Regulation J with respect to remittance transfers, in which case, Regulation E shall govern.

IDENTIFICATION OF BENEFICIARY

If you give the Credit Union a payment order which identifies the beneficiary (recipient of the funds) by both name and identifying or account number, payment may be made by the beneficiary's bank on the basis of the identifying or bank account number, even if the number identifies a person different than the named beneficiary. This means that you will be responsible to the Credit Union if the funds transfer is completed on the basis of the identification number you provided the Credit Union.

IDENTIFICATION OF BENEFICIARY AND INTERMEDIARY BANK BY NUMBER

If you give the Credit Union a payment order which identifies an intermediary or beneficiary's bank by both name and an identifying number, a receiving bank may rely on the number as the proper identification even if it identifies a different bank than the named bank. This means that you will be responsible for any loss or expenses incurred by a receiving bank which executes or attempts to execute the payment order in reliance on the identifying number you provided.

PROVISIONAL ACH PAYMENTS

The Credit Union may at its discretion give you credit for automated clearinghouse (ACH) payments before it receives final settlement of the funds transfer. Any such credit is provisional until the Credit Union receives final settlement of the payment. You are hereby notified and agree, if the Credit Union does not receive such final settlement, that it is entitled to a refund from you of the amount credited to you in connection with that ACH entry. This means that the Credit Union may provide you with access to ACH funds before the Credit Union actually receives the money. However, if the Credit Union does not receive the money, then the Credit Union may reverse the entry on your account and you would be liable to repay the Credit Union.

NOTICE OF RECEIPT OF ACH FUNDS

ACH transactions are governed by operating rules of the National Automated Clearing House Association. In accordance with these rules, the Credit Union will not provide you with next day notice of receipt of ACH credit transfers to your account. You will continue to receive notices of receipt of ACH items in the periodic account statements which we provide.

RECEIPT OF INCOMING (NON-ACH) FUNDS TRANSFERS

If the Credit Union receives a funds transfer for you or for other persons authorized to have access to your account, you agree that the Credit Union is not obligated to provide you with next day notice of the receipt of the funds transfer. The Credit Union will provide you with notification of the receipt of all funds transfers by including such items in the periodic account statements which we provide. You may, of course, inquire between receipt of periodic statements whether or not a specific funds transfer has been received.

PAYMENT OF DIVIDENDS (OR INTEREST)

If the Credit Union becomes obligated under Article 4A to pay interest (or dividends) to you, you agree that the rate of interest (or dividends) to be paid shall be equal to the dividend rate, on a daily basis, applicable to the account at the Credit Union to which the funds transfer should have been made or from which the funds transfer was made.

YOUR ABILITY TO WITHDRAW FUNDS

Central Valley Firefighters Credit Union's policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before the close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the fifth business day after the day of your deposit. However, the first \$200 of your deposit(s) will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the fifth business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 11th business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATM's) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at ATM's that we own or operate.

IMPORTANT NOTICE ABOUT YOUR ACCOUNTS (CALIFORNIA RESIDENTS)

In addition, any property held in a Credit Union safe deposit box may be transferred upon the running of the time period specified by state law from the date any lease or rental period expires or any agreement for the safe deposit box terminates.

It is agreed that the Credit Union's rights in respect to such share drafts shall be the same as if it were a share draft drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such share drafts. It is further agreed that if any such share draft is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

OVERDRAFTS

The Credit Union is under no obligation to pay a share draft which exceeds the available balance in an account; the Credit Union may, however, pay such a share draft and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by any Account Holder. The Credit Union does not offer a courtesy pay service.

Order of Posting: The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. We will pay checks, automated debits (ACH), Debit Card transactions, ATM withdrawals and point-of-sale transactions in the order presented to the Credit Union. Multiple checks presented for payment on the same day will be paid in check number order. For ACH transactions, deposits are posted first then debits are posted by settlement date, then lowest to highest amount. For ATM Card and Debit Card transactions, items are posted in the order received. You understand that the order in which items are processed can affect the total amount of fees that may be assessed against your account. The Credit Union reserves the right to adjust the above processing times in its sole discretion.

Actual and Available Balances: It is also important that you understand the difference between your "actual balance" and your "available balance" in order to properly manage the money in your account and avoid overdraft and insufficient fund fees. Your "actual balance" is the beginning of the day balance after the prior evening's posting. This balance is changed at the close of business every day and stands as is until the close of business on the following day. Your "available balance" is the amount you have in your account at a particular time that is available for immediate withdrawal. Your available balance is updated throughout the day to reflect holds, pending transactions and cleared deposits. The difference between your actual balance and your available balance is the result of pending activity that has not yet posted to the account (example, any "pending" deposits, checks, transfers and withdrawals or holds on your account). We will use the "available balance" in your account to determine if you have sufficient funds to cover your transactions. You can determine your available balance at the ATM, by phone or by accessing your account online or with mobile banking.

You understand that you may be overdrawn even when your actual balance is positive. You also understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you wish to make because your available balance will not reflect all your outstanding checks, automatic bill payments or recent deposits. In addition, your available balance will not reflect all of your debit card transactions. For example, if a merchant obtains your prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we are required to release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account. We do not determine and are not responsible for any hold amounts placed by merchants. We encourage you discuss such holds with merchants to determine how much the merchant may place on hold. You must also keep careful records and practice good account management to avoid making transactions without sufficient funds available for withdrawal. For additional details on the availability of your funds for withdrawal, see the section entitled "Funds Availability Policy." If you have additional questions about your available or actual balance, please see a branch representative or call (559) 228-1997.

Example 1: If you write a check for \$25 but it has not yet cleared your account, your available balance will be \$25 less than what is reflected by your actual balance.

Example 2: If you authorize a debit card transaction for \$30 but it has not yet posted to your account, your available balance will be \$30 less than what is reflected by your actual balance.

Example 3: The following transactions are not reflected in your available balance:

- Any checks you have written that have not yet been presented for payment.
- Any automatic bill payments you have scheduled that have not yet been sent.
- Any debit card transactions where the authorization hold has been released but the transaction has not yet been submitted to the Credit Union.

STALE-DATED SHARE DRAFTS

The Credit Union is under no obligation but may pay a share draft which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended from time to time.

STOP PAYMENTS

Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after 14 calendar days if the original order was oral and was not confirmed in writing within that 14 day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

TRUNCATION OF DRAFTS

The Account Holder(s) acknowledges that share drafts are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union's defenses available under the California Uniform Commercial Code (UCC).

LIABILITY OF CREDIT UNION

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a share draft, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

CLOSURE OF ACCOUNT

The Credit Union may close a share draft account at any time. Closure of a share draft account will not affect the obligation to pay any outstanding balances or charges owed.

FOR SHARE DRAFT ACCOUNTS WITH SHARE OVERDRAFT PROTECTION

If any Account Holder(s) writes a share draft that would result in this Share Draft Account being overdrawn, the Credit Union is authorized to charge the designated share account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the share draft and any associated fees and to credit such charge to this Share Draft Account. No share draft overdraft may be paid by charging a share account if, as a result of such charge, that share account would be subject in any one month to more than six preauthorized, automatic or telephonic transfers.

FOR SHARE DRAFT ACCOUNTS WITH LOAN OVERDRAFT PROTECTION

If any Account Holder(s) writes a share draft which would result in this Share Draft Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Share Draft Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such share draft and any associated fees.

PLEDGING OF FUNDS

Share certificates may not be pledged, transferred, or assigned to any party other than the Credit Union unless otherwise provided by statute. Shares invested for an Individual Retirement Account (IRA) or Keogh Plan may not be pledged as security for any loan. The Credit Union reserves the right to offset this certificate except as otherwise precluded by law. If the Credit Union offsets funds from this certificate, the funds withdrawn are subject to the early withdrawal penalty.
